## Sablet

AOP COTES DU RHONE VILLAGES SABLET - ROSÉ

### GRAPE VARIETIES

40% Grenache, 40% Syrah, 20% Cinsault

### SOILS

Light soils at the edge of the hills of Sablet.

### VITICULTURE

Organic culture, the vines are ploughed and we use organic fertilizer.

### VINIFICATION

Pressing, fermentation for 6 to 10 days in tanks at a temperature of 18°C, malo-lactic fermentation blocked to preserve the acidity. The grape varieties are vinified together. Filtration before bottling.

### AGEING POTENTIAL

2 years

### TASTING

Pretty pale colour, very subtle, golden shades.

Discreet nose with citrus aromas.

Fairly full-bodied, sweet, tangy mouthfeel. Fairly long in the mouth.

### WINES AND DISHES

This rosé can be enjoyed as an aperitif, with grilled meats or with a pizza.
